SNOW VENTURE

Snow Venture is held each year for Venturers at the Victorian Rover Scouts Chalet. The Chalet is located 11 km from the Falls Creek ski resort in the spectacular Bogong High Plains.

Snow Venture is unbeatably the best value for money, fully arranged ski holiday.

Chalet facilities include fully equipped kitchen and dining facilities, hot showers, washing machine, drying room, 240 volt diesel generator power and dormitories with mattresses and pillows.

The Chalet provides a unique atmosphere and ideal base for adventure skiing.

9-18 JULY 2010

From Adelaide, you will travel to the Chalet by mini bus and then coach service. You will complete the final 11km from Falls Creek to the Chalet by cross country skiing. You do need to be able to ski this distance, carrying all your gear and a share of fresh food.

Exciting day ski trips are planned to explore the many summits and historic huts on the Bogong high plains.

DON'T MISS OUT

Snow Venture is organised and led by an experienced team of qualified Leaders. They are there to make Snow Venture a fun, rewarding and safe experience for all.

Venturers and Leaders work together as a team learning how to run the Chalet and to make Snow Venture a great success. Venturers also organise evening activities for everyone to participate in.

This is an activity for Venturers only and is strictly limited to 35 participants. Get your deposit and application form in as soon as possible before the due date to avoid disappointment.
